STATINTL [REDACTED]

In about September 1961 (in response to an IG report), we set up a system under which a senior official in the Directorate concerned interviewed resignees from that Directorate.

I used to see memos for the record come in on these but it has been a LONG time since I've seen any sign that the practice has continued in effect.

Can you tell me if this is being done and, if so, what feedback OP gets.
